Year 1 Christmas Assembly 2011

Last week we all watched the year 1s perform the traditional Christmas Assembly. They worked very hard to put up this performance and the result was that it was indeed a pleasure to watch. Everybody was involved in one way or another, whether it was in acting, narrating or as part of the band.

This years' performance helped us to remember what the real meaning of Christmas is. It is so easy to forget whilst enjoying our parties, eating good food and sharing presents. Three girls dressed as poinsettias introduced the assembly. The story centred around Father Christmas, who decided to hold a Christmas party, invited Mother Goose and a few Nursery Rhyme characters. Then, once the party had started and presents were given, the elves introduced the Christmas story and this was told through a variety of narrators including, candles, angels and stars.

We had a band of musicians accompanying Mrs Callus on the piano to make the music livelier. Finally a trio of Hollies summed up the whole message in a sweet poem that once again helped us to remember what the best present of Christmas is.

We would like to thank all the parents for their co operation in sending costumes as this helped make the whole performance more complete. The children looked wonderful all dressed up and with face paint! Well done year 1s!
