Subject: European Cooperation Day – Poster Competition

---

21 September 2013 marks European Cooperation Day and celebrates the benefits and achievements of Territorial Cooperation through local events throughout Europe.

This year Interact Point Vienna is organising a competition for children below 16 years of age. Students can participate by designing a poster that represents cooperation between people in Europe. The theme for the poster is either 'Sharing borders, growing closer' or 'Working together for a better Europe'. Entries must be submitted not later than 24 August 2013.

Heads of School are kindly asked to inform students about this competition. Additional information about the competition as well as the entry form is attached. More information is also available on the Interact website http://www.interact-eu.net/news/ecday_poster_contest/7/14155 and on the Funds and Programmes Division website: www.fpd.gov.mt .

Thank you for your collaboration.
