

Ms. Pauline Year 4

These are some of the activities we have been working on lately.

1. Arbor Day

In January, as a school, we celebrated Arbor Day. The Year 4 students read a poem during the school assembly called *Din l- Art u kull ma' Fiha* by Trevor Zahra. They also drew a lovely picture depicting a scene of nature.

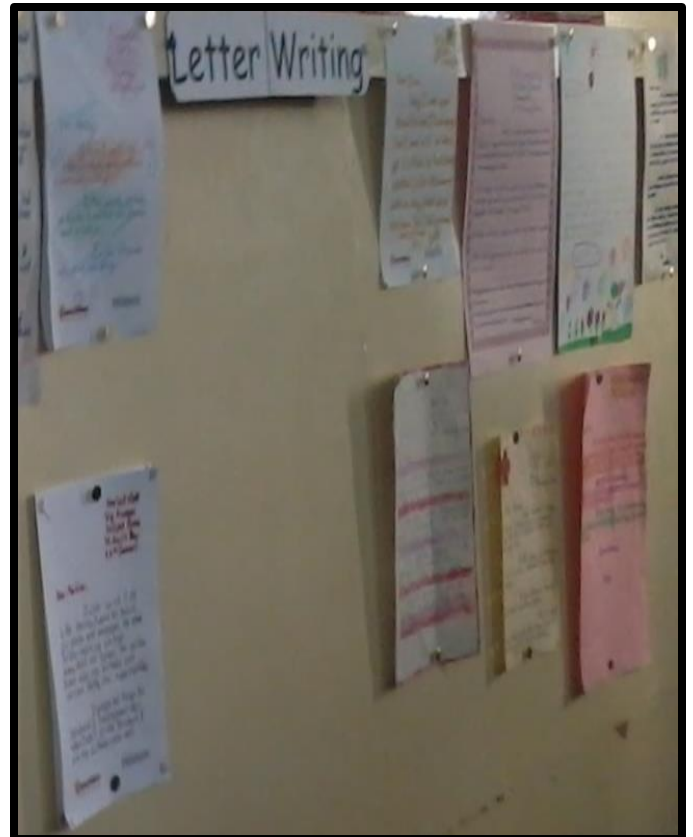

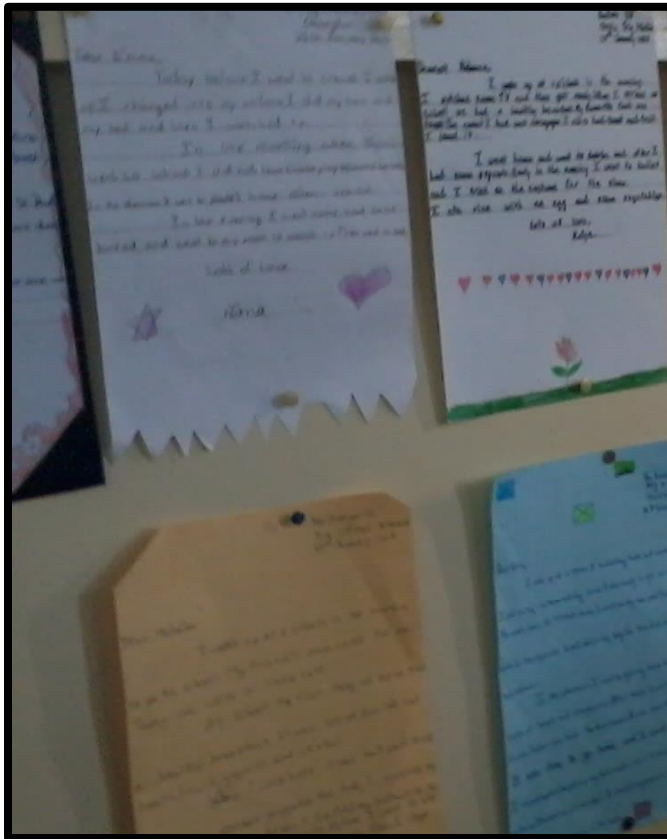

2. Compiling a Cookery Book

Each one of the girls found a recipe, typed it and found an illustration. All recipes were then put together in a cookery book with the title of The Sunflowers' Cookery Book.

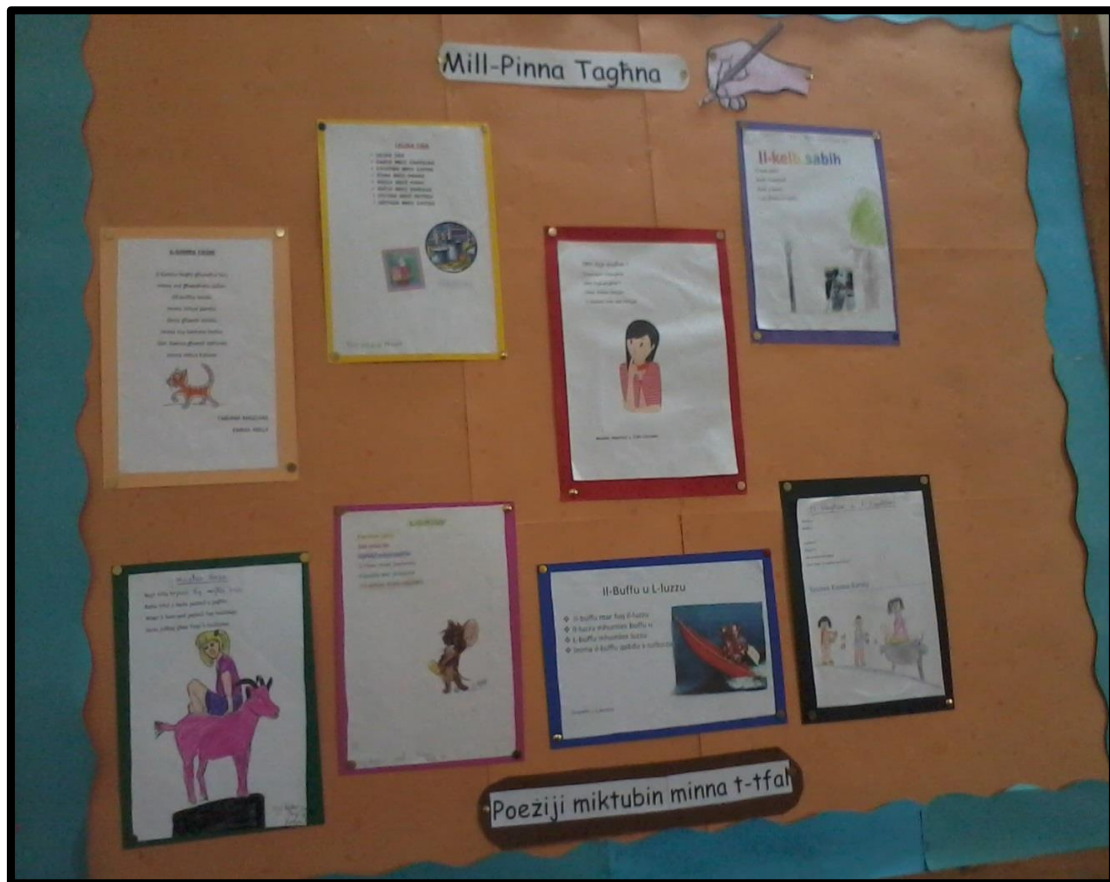

3. Letter Writing.

In year 4 the girls are learning to write a letter and they were very proud of having all their letters displayed in class.

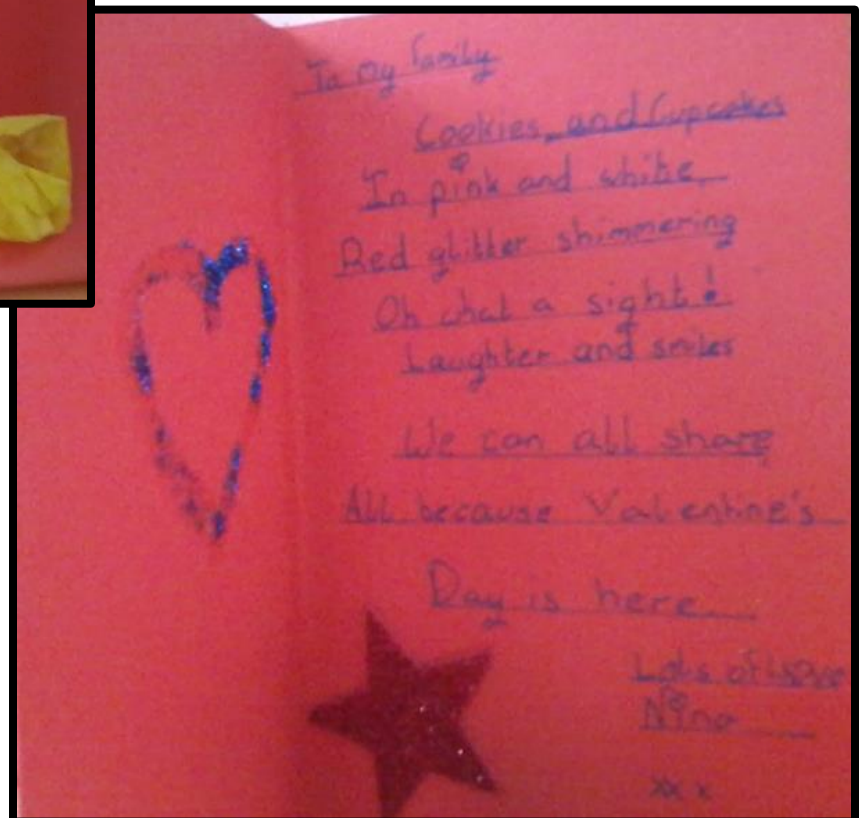

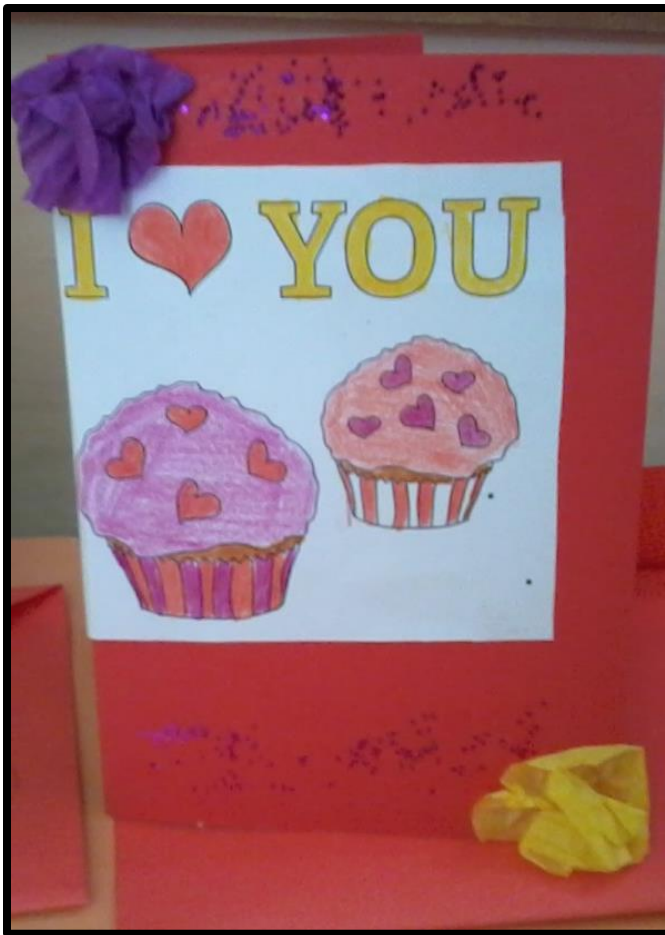

4. Writing our own poems.

The girls love to read poems from the book *Għadhom Għal Qalbi*. The poem *Tina Biskuttina* inspired us to work in small groups and draft our own poems too, some of which were really funny.

5. Valentine's Card.

The girls also loved being creative and artistic in making their own handcrafted card.

6. Looking after our environment

During Social studies we are learning how important it is to look after the environment. The girls worked in groups and came up with slogans and illustrations of what we should not do to the environment.

It is such a pleasure to be in a lovely garden of sunflowers and see them grow day by day.
