

# French Club

## Experience

I always considered French as one of my studies but I never thought that learning a language could be so much fun!

French club helped me to build upon the skills I've learned in class through multiple activities.

From a treasure hunt to charades, a quiz and some exercises here and there this has been a truly amazing experience.

I must say that at first I was in doubt if I should sign up but I must say that I'm very glad I did.

I encourage more students to attend and I look forward to next year!
