

Life is full of new beginnings. Already in the past few months, we have experienced the start of a new scholastic year, a new liturgical year, and just a few weeks ago, the start of a new calendar year too. The latter usually brings with it a host of resolutions which may or may not actually get implemented. It is not too late in the year to make one resolution that we can all keep with a little effort and support from each other: to spend more quality time with Jesus, our dearest friend, each day, no matter how hectic our schedules are. As a school community, we have a chance to spend such quality time with Jesus together on various occasions, including during our monthly Lectio Divina and Mass. As we listen, reflect, discuss, pray over God's word and spend time in adoration of the Blessed Sacrament, we shall surely be spending quality time with Him who loves us most and loves us best. It is in His love that we grow and change daily into persons more capable of living the Gospel in a tangible and loving way.

Children will have their own group session and all adults and children will have the opportunity to celebrate Holy Mass together. Parents of children under the age of five (one parent per child) may be asked to join the children's session, at least initially, in order to help all children benefit from the session.
