

EASTER FIGOLLI

Dear parents, teachers and friends

The P.T.A. is pleased to invite you to make your orders for our local and traditional Easter *figolli*. The *figolli*, weighing approx. 500 grammes each will be made with **100% pure almonds** and will be coated with white icing or brown chocolate. The *figolli* will be individually packed in a box and will make a lovely, traditional, Easter gift for your family and friends.

The *figolli* may be collected as follows (select your preferred option on the application form):

- by parents and staff on Wednesday 5th April from the scullery (on the left hand side of the auditorium block) between 2.15pm and 3.00pm; this is recommended in the case of younger children and if you order more than one *figolla* to limit breakages.
- by Senior School students (whose parents cannot collect the *figolli*) from the Assistant Head's office at the end of midday break on the 5th April; kindly inform your daughter if you select this option.
- by Junior School students whose parents cannot collect the *figolli* on the 5th April as directed by the School administration.

If you plan to have the *figolla* / *figolli* collected by your daughter and then she is absent, please make other arrangements for collection as otherwise the *figolla* / *figolli* will be given to charity since they cannot be left at school during the Easter holidays. Thank you for your kind cooperation.

Tickets will be sent to you in the same envelope that you send your application in. **Please remember that tickets need to be presented when collecting the *figolli* and do bring a bag with you or give one to your child to put the *figolli* in.**

Order your *figolli* now!

Please fill in the form hereunder and send it in with a donation of €6.00 per *figolla* by **not later than Wednesday 29th March 2017.**
