

Value of the Month

As part of the goal of Social Awareness, the Year 3s are focusing on different values that promote friendship, diversity and justice.

The first value we took note of was that of **Honesty**. During the month of **November (2016)**, the Year 3 teachers observed the children during classroom and outdoor activities to see who is considered the most honest. This positive social trait was noticed in: Emanuela Ani (Year 3 Roses), Nicole Gatt (Year 3 Sunflowers) and Chanel Bezzina Thompson (Year 3 Bluebells). Well done girls! 😊
