TRIP TO THE ISLAND OF COMINO

The PTA, together with Falko, the Bird Life (Malta) group for students and young people, and Din l-Art Helwa, is organizing a day trip to Comino.

- Date: Sunday 7th May 2017
- Meeting place: Cirkewwa (before the Cirkewwa Terminal: look out for the signs for the Comino ferries)
- Departure: 8.30am **PLEASE BE PUNCTUAL**
- Tour highlights: an appreciation of the island's terrain, flora and fauna; the historical buildings found on Comino; a visit to the Santa Marija Tower; observation of a bird ringing session carried out by trained ringers.

*Bird ringing is a conservation tool used to study birds, their survival rate, migration patterns and productivity. Bird ringing on Comino happens only twice a year. Comino is a Specially Protected Area which is of great importance for migrating birds. **Don't miss this opportunity!***

Back to Cirkewwa at about 4.30pm

A donation of €13 per adult and €6 per child aged 10 or under is being requested. This includes the boat trip, the services of the guides and the entrance fee at the Santa Marija Tower.

The walk includes some slightly rough terrain unsuitable for pushchairs and persons with walking difficulties. We will be stopping for breaks along the way. All participants are to provide their own packed lunch and water, and are encouraged to wear sunblock and caps. In case of bad weather kindly contact us on the day, to check whether the activity will still be held. Please use either of these numbers: 79381939 or 79492603.

Bookings will be accepted until Tuesday 2nd May 2017 on a first-come, first-served basis as places are limited.
