### Availability for Sale of the New College Uniform

Dear Parents and Guardians,

I regret to inform you that Bortex has just notified us that they are facing another delay in the arrival of the new College Uniform. The lockdown in various countries has disrupted the manufacture and shipping of products. As a result, there is enormous traffic congestion in shipways.

Hopefully, the new uniform will be available for sale from Bortex Fine Clothing Mirabilis Building, Triq l-Intornjatur, Mriehel. as follows:

**Under these challenging circumstances, it is always advisable to phone Botex at (+356) 21447767 to inquire if the required items have arrived.**

May I remind you that

- The new uniform will henceforth be available online. All items can be ordered, and they will be delivered directly to your residence.
- Fabric for the manufacture of skorts and trousers will be available.
- Alterations, and made to measure service, will be offered from the shop.
- The price of the uniform is fixed for three years.
- A care instruction manual will be issued with every purchase.
- The same items of clothing will be used by both the Senior and the Junior School students. This will ensure that students will continue wearing the same item of clothing when promoted to the Senior School. It will also ensure the availability of garments to fit well-built and petite girls as they develop at their own rate independently of whether they are in the Junior School or the Senior School.
- The blue and the gold colours will be retained.

There will be a **transition period of three years** during which students will be allowed to wear both the old and the new uniform. This will ensure a smooth, inexpensive and fair transition for parents.

I would like to apologise for any inconvenience caused by this delay.
